

W. R. Linderman

April 6, 1878

My dear Sir

I have your  
note of yesterday in  
reference to the application  
of Miss Mary Wharton.  
I should be very glad  
to comply with your  
request but I am  
not situated at present  
to ask any favors  
in the matter of appointments.  
If the appointing powers,  
should favor Miss  
Wharton's nomination  
I will cheerfully

appear it.

Very sincerely yours

H R Luntman
